Rob describes this presentation for Business With A Twist as “a ‘mish-mash’ of common questions we field, as well as opportunities and issues that we highlight to our clients to save them money. We’re talking about thousands of dollars of opportunities, not just a few bucks.”

Presenters: Rob Flux and Emily Fenton

Robert E. Flux, CA, CPA (Illinois),
CFP – Sechelt Downtown Business
Association Treasurer

Rob made the move to the Sunshine Coast in 2007 from Calgary with his wife Christina to enjoy the lifestyle that the Coast offers, and to join the Coast Group Chartered Accountants in Sechelt as the Partner in charge of taxation services. Before moving to the Sunshine Coast Rob had just over 10 years of experience working with some of the largest Chartered Accounting firms in Canada. Rob joined the Sechelt Downtown Business Association in 2008 as its Treasurer.

Emily Fenton was born and raised in Sechelt and has been working in accounting since 1995. She joined The Coast Group in the fall of 2007. Emily has a keen, detailed oriented work ethic, which blends perfectly with her dynamic personality. She has an adventurous spirit, enjoys time spent outside, and with a spare moment alone she loves a long run.
