### LIGHT UP SECHELT AT CHRISTMAS 2014

The Sechelt Downtown Business Association is again organizing lit Christmas Trees in downtown Sechelt, and is again inviting Families, Businesses, Groups of Friends, and Organizations to decorate trees at several locations in the downtown area. All lights must be LED, with a preference for white lights. Other suggestions for decorations include tinsel and tasteful Christmas decorations. All lights and decorations should be tied or zap-strapped onto the tree to prevent the wind from blowing things off.

There is a \$30.00 registration fee for each tree. Registration forms and fees may be dropped off at the SDBA office, at the Salvation Army Thrift Store or at Artworks Gallery & Framing. Register early for best selection.

**The trees will be provided by the SDBA, and will be available to decorate by Wednesday, November 26, 2014. The trees need to be decorated as soon as possible thereafter – we would like to have all trees decorated by Friday, December 5 if possible.**

Please complete the Registration Form below. Retain this upper portion for your information.
